Wednesday, October 12, 2011

12 - 1:30 pm PT
1 - 2:30 pm MT
2 - 3:30 pm CT
3 - 4:30 pm ET

Financial institutions are tasked with addressing the enhanced risk assessment initiatives outlined in the recently-released FFIEC Authentication Guidance. With a deadline of January 1, 2012, banks must consider current and emerging threats to online banking transactions and implement strategies to prevent and detect commercial account takeover. Join us to learn how to ensure secure online financial transactions and meet guidance objectives by implementing methodologies and activities targeted to their specific products, services, and consumer base.

Continuing Education: Attendance verification for CE credits provided upon request.

HIGHLIGHTS

- Assessing your institution's level of compliance with the new directives
- How to turn guidance directives into actionable activities
- Categories of layered security controls to consider
- How to get your commercial online banking customers to do their part to secure financial transactions
- Addressing residual risk with the board
