We have been continually hopeful that the new Consumer Financial Protection Bureau (CFPB) would quickly resolve the issues that all financial institutions have been experiencing with RESPA's Good Faith Estimate and HUD-1 disclosures. The CFPB has been actively working toward new and improved documents. Unfortunately, the latest information indicates that it will be significantly into 2013 before financial institutions will be in a position to use the new forms. This means that the industry will have to continue the struggle with the existing forms for a while longer. This webinar is designed to address the current issues that continue to challenge all of us.

Continuing Education: Attendance verification for CE credits provided upon request.

HIGHLIGHTS

- The rules for the current forms
- “Hot button” regulator issues regarding the GFE and HUD-1
