Tuesday, February 28, 2012

12 - 1:30 pm PT
1 - 2:30 pm MT
2 - 3:30 pm CT
3 - 4:30 pm ET

This program will identify information technology security hot buttons that are currently receiving state and federal regulators' focus. Concentrating resources in these areas will better prepare your bank for your next IT exam. IT security is a balance of good security and compliance. This program will cover hot policy-related and technology-related items, providing a mix of information that will benefit your risk manager, compliance officer, security officer, technology manager, and operations manager. This must-attend session will help you secure customer information and be prepared for your next IT exam.

Continuing Education: Attendance verification for CE credits provided upon request.
