Deluxe Corporation: PPE and Sanitization Supplies

As part of our continuing effort to support financial institutions during COVID-19, Deluxe is pleased to announce the availability of many hard-to-find items that our customers need to continue their operations. Our corporate buying team is procuring these items in bulk quantities daily and since the financial industry is considered a critical business we are obtaining preferred status with our suppliers. These items are being procured with you in mind and are available through Deluxe Strategic Sourcing (DSS).

Last week, Deluxe began offering these products to its customers and sold out overnight but have been successful in acquiring additional supplies. Here is a sampling of the products currently available:

- Face masks
- Face shields
- Hand sanitizer
- Sanitizer packets
- Social distancing signage
- Social distancing stickers
- Teller safety barriers
- Thermometers
- Nitrile Gloves

Due to the high demand for these products, availability is subject to change; however, orders will ship immediately (or once the stock arrives). Pricing continues to change daily as we continue shopping the market and working with our suppliers. Please contact your rep for products and pricing that is up to date.

This pricing is good as of 5/4/2020. We update our prices regularly, so please check back often for most current pricing. DELUXE is constantly shopping the market to provide the best pricing.

**PLEASE NOTE:** The pricing above reflects the excessive inbound air freight costs along with unprecedented demand which is driving up manufacturer costs on raw materials to exceptional levels.

Protect yourself, your family, and your customers during this difficult time with this 5-filtration-layer KN95 Protective Face Mask. It meets all the KN95 standards with an extra filtration layer added. It is FDA Registered, and with 5 filtration layers (with an extra melt-blown nonwoven filter layer), it will keep out 95% of airborne particles for maximum protection.

The 5-Layer protective face mask is lightweight and comfortable, and its flexibility helps create a secure seal for the best possible protection.

Every 10 masks packed into a sealed bag with FDA/CE info printed, every 50 bags (500 masks) packed into a master carton
Carton size 50x28x33cm /19.6x11.0x12.9"
Weight 3.5kg /7.7lbs

The CDC identifies respirators approved under standards used in other countries that are similar to NIOSH-approved N95 respirators. CDC has determined these are suitable alternatives to provide protection during the COVID-19 response when supplies are short, when they conform to standards identified and provide a protection factor of at least 10. FDA does not object to importation and use of these respirators during the emergency.

Description/Features

The Fandana is a 100% polyester microfiber all purpose unisex accessory. It has a tubular design which can be used as a bandana, headband, beanie, skullcap, scrunchie, neck warmer, muffler, armband, wristband, tube top, rally towel or belt. It’s the perfect outdoor promotion for runners, walkers, hikers, cyclists, and fitness enthusiasts of all types. Also use it at sporting events, parties, outings, camping, team building exercises and other activities. The breathable polyester material is lightweight and comfortable, yet it wicks away moisture in the heat and insulates against cold when the weather turns. One size fits all. Price Includes: One color imprint on white Fandana on both sides. Full Bleed background imprint is available for an additional setup and run charge. Up to a Full Color, full bleed imprint available, add 3 additional run and setup charges. Hand Wash Prior to Use.

PMS Match

Please Note: Regarding color matching, dye-sublimation printing process uses a computer printer to generate a heat transfer to transfer the image onto fabric. Dye-sublimation printing machines use CMYK (Cyan Magenta Yellow) colors, which differs from the more recognized CMYK colors in that the black is eliminated in favor of a clear overcoating. As a result, PMS inks cannot be matched exactly. They are only a reference point and an approximation. Factory will do it’s best to match but cannot guarantee an exact color match.

Email Proof

Email Proof Charge: $7.50 (C), add 2 days to production time.
